Fall results and awards will be given by the end of November.

Print Newspapers: submit 3 consecutive issues

Online News: Publications will be reviewed over the summer in an effort to review the work that was created during the past school year. This will be done by viewing all of your archives from the past school year, and not the work from September and October. **KEMPA encourages advisers to submit letters to the judges describing their goals for the year, and any unique circumstances, challenges or complications they might have had this year.**

Annual renewal notices will be sent to adviser.
